

**19/06/2017**

Dear Professor Dong Ki Lee,  
President of SGI Association

On behalf of the Saudi Gastroenterology Association we would like to invite young enthusiastic endoscopists from Korea to attend The 16th Conference of the Saudi Gastroenterology Association, 5th conference of Saudi Association for the Study of Liver Diseases and Transplantation & 5th conference of Saudi Society of Pediatric Gastroenterology, Hepatology and Nutrition, 02-03 February-2018, Riyadh-Saudi Arabia.

The invitation is intended to promote advancement and collaboration among participating Asian Societies of GI endoscopy. By participating in this conference, we expect the endoscopists outside Saudi Arabia to be able to acquire or develop new partnerships with their Saudi counterparts as well as networking with gastroenterologists from ten Middle-East. This relationships are anticipated to be invaluable in promoting building bridges of future collaboration and to have an added value in the future of healthcare in the field of gastroenterology and hopefully science. The invitation Include

- 1- Economy class ticket
- 2- Accommodations
- 3- Registration fees
- 4- SGA Membership for ten years
- 5- VISA application

**Sincerely,**

**Dr. Majid Al Madi**  
**President of the Saudi Association of Gastroenterology**
